are co-inventors of certain new and useful improvements in, "CONSTITUTIVELY ACTIVATED HUMAN G PROTEIN COUPLED RECEPTORS (AS AMENDED)"; conceived of during the period of my/our employment with Arena Pharmaceuticals, Inc., for which I/we have filed an application for Letters Patent in the United States:

Application Serial No.: 10/417,820  
Filed: April 16, 2003

AND WHEREAS, Arena Pharmaceuticals, Inc. (hereinafter referred to as the "ASSIGNEE"), a Delaware Corporation, with its principal place of business at 6166 Nancy Ridge Drive, San Diego, California 92121 desires to acquire the entire right, title, and interest in and to the invention, any and all patent applications which may be filed thereon; and any and all Letters Patent which may be granted or issued thereon in the United States of America and throughout the world, including, but not limited to, International Applications under the Patent Cooperation Treaty, and including any and all divisions, continuations, reissues and extensions and said improvements of any of the foregoing;

NOW, THEREFORE, in consideration of the sum of One Dollar (\$1.00), and other good and valuable consideration, the receipt of which is hereby acknowledged, I/we, the said inventors, do hereby acknowledge that I/we have sold, assigned, transferred and set over, and by these presents do hereby sell, assign, transfer and set over, unto the said ASSIGNEE, its successors, legal representatives

and assigns, the full and exclusive right, title, and interest in the United States of America and throughout the world in, to and under the said improvements, and the said application and all divisions and renewals thereof, and continuations and continuations-in-part to which my/our contribution to inventorship occurred during the period of my/our employment with Arena Pharmaceuticals, Inc., and all Letters Patent of the United States which may be made, granted or issued for said invention in the United States of America and throughout the world, including, but not limited to, International Applications under the Patent Cooperation Treaty, including but not limited to: Australia, Canada, China, Japan and states of the European Patent Office, and including all divisions, continuations, continuations-in-part, reissues, reexaminations and extensions, if any, made, granted or issued thereon and all reissues and extensions thereof; and all rights of priority under International Conventions and applications for Letters Patent which may hereafter be filed for said improvements in any country or countries foreign to the United States, and all Letters Patent which may be granted, as fully and entirely as the same would have been held by me/us had this Assignment and sale not been made, for said improvements in any country or countries foreign to the United States and all extensions, renewals and reissues thereof; and I/we hereby authorize and request the Commissioner of Patents of the United States of America, the Commissioner of Patents of the duly constituted authorities of all foreign countries of the world, and any Official of any country or countries foreign to the United States, whose duty it is to issue patents on applications as aforesaid, to issue all Letters Patent relating to the foregoing rights, and for said improvements to the said ASSIGNEE, its successors, legal representatives and assigns, in accordance with the terms of this instrument.

AND I/WE HEREBY covenant that I/we have full right to convey the entire interest herein assigned, and that I/we have not executed and will not execute any agreement in conflict herewith, and agree that I/we will communicate to the said ASSIGNEE, successors, legal representatives and assigns, any facts known to us respecting said improvements, and testify in any legal proceeding, sign all lawful papers, execute all said divisions and renewals, said continuations, and said reissues and extensions thereof, make all rightful oaths and generally do everything possible to aid the said ASSIGNEE, its successors, legal representatives and assigns, to obtain and enforce proper patent protection for said improvements in all countries.

AND this Assignment may be executed in multiple counterparts, each of which shall be deemed to be an original of this Assignment. Additionally, we hereby authorize our attorneys to collect the signature pages of each executed counterpart and to attach those signature pages to a single copy of this instrument, which single copy and attached signature pages together shall constitute an original of this Assignment.

IN WITNESS WHEREOF, we have hereunto set our hands and seals.
